| [Date of birth](#) 29/09/1970 | [Nationality](#) italian

Coordinator of Specialist Reference Centre: Definition, study and control of treatment protocols for patients with tumors of soft parts afferent to the 3rd Orthopedic and Traumatologic Clinic prevalently Oncologic of Rizzoli Orthopedics Institute of Bologna.

PERSONAL STATEMENT

WORK EXPERIENCE

2002-today MD, specialized in Orthopedics and Traumatology

Rizzoli Orthopedics Institute, Via Pupilli 1 40136 Bologna, Italy

- Coordinator of Specialist Reference Centre: Definition, study and control of treatment protocols for patients with tumors of soft parts afferent to the 3rd Clinic (deliberation n.158 of May 8th, 2020)

2001-2002 MD, specialized in Orthopedics and Traumatology

Rizzoli Orthopedics Institute, Via Pupilli 1 40136 Bologna, Italy

- MD in Orthopedics and Traumatology - Freelance contract Assistance activity

2000 MD, specialized in Orthopedics and Traumatology

Hospital for special surgery, New York, USA

- Visiting MD. Field of interest: hip and knee reconstructive orthopedic surgery

1998-1999 MD

Comando Regione Carabinieri Emilia Romagna

- Medical Officer and Head of the Emilia Romagna Health Section

EDUCATION AND TRAINING

2000 Specialization in Orthopedy and Traumatology

University of Bologna, Italy

1995 Degree in Medicine and Surgery

University of Bologna, Italy

PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

- Good communication skills gained through my experience as speaker at national (Italian Society of Orthopedics and Traumatology, Italian Society of Pediatric Orthopedics, etc) and international (European Society of Musculoskeletal Tumors, International Society of Musculoskeletal Tumors, European Federation of National Associations of Orthopedics and Traumatology, American Academy of Orthopedic Surgeons) conferences.

Academic projects

- Tutor for students of the Faculty of Medicine and Surgery of Bologna attending the III Orthopedic Clinic of the Rizzoli Orthopedics Institute
- Adjunct professor, Department of Biomedical and Neuromotor Sciences at the Alma Mater Studiorum-University of Bologna

Clinical and scientific interests

Oncological Orthopaedics; Innovative treatments in musculoskeletal oncology; "Computer Aided Surgery" in oncological surgery

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Proficient user	Proficient user	Proficient user

- good command of office suite (word processor, spread sheet, presentation software)

Driving licence B

ADDITIONAL INFORMATION

- Projects** Participation as co-manager, in the ESOPE II project, concerning the treatment of bone metastases with electrochemotherapy (Study approved by the Ethics Committee of the Rizzoli Orthopedic Institute);
Participation at the study: "Sacral Chordoma: Surgery Versus Definitive Radiation Therapy in Primary Localized Disease (SACRO)" concerning the comparative study on surgery versus definitive radiation therapy in primary localized sacral chordoma.
Participation as Principal investigator to the clinical study "Myxoid liposarcoma: review of the cases of the Rizzoli Orthopedic Institute and definition of the clinical outcome with identification of predictive factors (LIPOMIX)"
- Memberships** Association with International Societies: Member of the European Musculoskeletal Society (EMSOS), Member of the International Society of Limb Salvage (ISOLS), Member of the Board of Directors of the Italian Sarcoma Group (ISG)
